

2nd Grade Boyhood Farm Field Trip

Bring your 2nd Grade students to spend a magical morning exploring the Jimmy Carter Boyhood Farm!

Social Studies

SS2H1: Describe the lives and contributions of historical figures in Georgia history.

F. Jimmy Carter (leadership and human rights)

SS2CG2: Identify the following elected officials of the executive branch and where they work:

a. President (leader of our nation) and Washington, D.C.

SS2CG3: Give examples of how the historical figures in SS2H1 demonstrate positive citizenship traits.

Life Science

S2L1: Obtain, evaluate, and communicate information about the life cycles of different living organisms.

a. Ask questions to determine the sequence of the life cycle of common animals in your area.

Math

Measure and estimate lengths in standard units.

MGSE2.MD.1 : Measure the length of an object by selecting and using appropriate tools.

MGSE2.MD.2: Measure the length of an object twice, using length units of different measurements; describe how the two measurements relate to the size of the unit chosen. Understand the relative size of units in different systems of measurement.

Activities Include:

- **Measuring the Farm**
- **Pollinators/ Butterfly Life Cycle**
- **Story:** *Jimmy Carter: Dreamer Statesman Humanitarian*
- **Footsteps of a President Farm Tour:** Students will tour the farm and learn about Jimmy Carter's life as a child of the depression in the 1930's. Along the way, students will have the opportunity to experience chores routinely performed by Jimmy Carter as a child in the 1930's.

Field trips are **FREE** of charge to all school groups. There is no admission fee to the site and transportation funding is provided for school buses.

For program information or to schedule a field trip please contact Marle Usry at marle_usry@partner.nps.gov or visit our website: www.jimmycartereducation.org
